From Calendar of the Soul by Rudolf Steiner

Verse 5

In light, that out of spirit deeps
   In space fruitfully weaving
   The gods’ creation reveals:
   The soul being appears in it
   Expanded into the World Existence
   And has risen up
   From narrow selfhood’s inner might.

CLASS 12 PRESENTATIONS! — TIME TO COUNT SHOPPING DAYS. - JEAN-MICHEL DAVID

I trust that everyone had a great four-day break and enjoyed the range of weather we experienced! Please keep an eye on the school calendar for the various Class meetings still to take place in this quite busy few weeks.

Fast approaching on the 17th and 18th of November (next week already!), the Class 12s are presenting their Independent Projects, and again encourage all who are able to attend at least some of these. Classes 2-6 will soon be undertaking their swimming programme, Class 5s will share an Olympic day with other Steiner schools, Class 4 their Zoo overnight excursion, and Class 2 students have the exciting overnight very first camp!

Finally, next week Jim and I will resume our weekly conversation. Please do come along on Wednesday at 9:00 with any question you may have.
CONVERSATION — NOT STOPPED, BUT STALLED? - JEAN MICHEL & JIM
Conversation would have happened this week but we cancelled due to the pressures of covering everything in a short week. Ask a question or raise a topic. Even if you can’t come on Wednesday email your query. If you are curious about something at the school there are bound to be plenty of others who would like to know too. Join us in the Main Building at 9.00 am on Wednesday to be a part of the conversation. Questions on notice may be emailed to jtaylor@lyss.vic.edu.au.

ADRIAN ANDERSON TALK - THIS THURSDAY - FRANCIS
Adrian Anderson will be giving a talk on “Anthroposophy in Everyday Life” this Thursday morning at 9am in the new classroom adjoining the Wattlebee Kinder. This talk will be open to all parents and community members (minimum donation $5).

LITTLE YARRA MARKET - FRANCIS
On Saturday the 17th of November we will have the “Grand Launch” of the Little Yarra Market which will then be an ongoing monthly market on the school grounds. The focus will be on local, organic, handmade and quality goods. Currently we have stallholders for the following: Organic & Local fresh fruit and vegetables, Seedlings, Craft, Clothes, Jams and Preserves, Skin Care, Coffee, Produce Swap, Wood Fired Pizzas, Gourmet Sausages and much much more. Come along to get some groceries, do some Christmas shopping and relax and eat some good food. The first market also coincides with our class 12 presentations so make sure you have time to see them as well.

We will start our Christmas project this week. If you would like to make something to decorate your seasonal table with dolls, animals and other items such as lantern or fire place, come and join us! We have many patterns to share with you. We meet on Thursday mornings between 9am and 12 in the main building. The profits from our group go to the Community House project. Children are welcome and morning tea is available.

There are a very limited number of tickets for sale for the class 12 graduation dinner. Dinner is 23th November, Killara Estate, East Seville: 3 Course Meal, Life Music “Babaganoush” Gypsy music. Tickets are available at the office from Friday 9 November till Friday 16th November 3pm sharp. Costs $65.00 per ticket.

Pea Straw bales will be available for sale from the school at $11 per bale. Please order and pay at the Office.

As mentioned in a previous newsletter, the school is currently seeking an Assistant for Class 1 next year. Sumie Nagura recently tendered her resignation to pursue her Eurythmy studies next year, and so the School is now looking for the right person to fill the role of Assistant in the Wattle Bee Kindergarten from 2013. The vacancy for a German teacher has also been relisted as a greater time fraction. Both of these positions are now listed on the School’s website. If you know of anyone whom you think would be suitable in these roles and would be an asset to the School, please encourage them to apply.

Pizza orders can be left in the baskets outside classrooms or at the office for the high school. With name, class, pizza type & amount (1/2 or whole) clearly written on bag or envelope & correct change please, we cannot give change. Term orders can also be placed at the office.

Anybody interested in joining our team for a fun day of making pizzas & feeding the school community please call Emma 5967 1638 or email stevejacobson@netspace.net.au or come & visit us at the ovens on Fridays.

**2013 Adult Education Course at LYSS**

**TOWARDS A UNIVERSAL LANGUAGE OF FORM**

*In Search of the Spiritual in Art & Architecture*

Do you have an interest in Art & Architecture -- from a Spiritual / Anthroposophical perspective?

If you do you may be interested in this course next year:

- **Where:** at Little Yarra, (English room)
- **When:** Tuesdays after school (3.45 – 5.30 pm).

**On the basis of Rudolf Steiner’s Spiritual Science we look at the spiritual nature of the Creative Process and explore the question of “moral transformation” through the arts. Along the way we begin to identify a “Universal Language of Form”, capable of creating a meaningful link between the forms of nature and the forms created by human hands.**

Classes are both, theoretic as well as practical and range across the areas of Art, Science and Spirit. The course was offered last year to LYSS staff as professional development. In 2013 it will be offered again at the school, open to anyone interested.

In the past two years the course has been attended by people with varying degrees of Anthroposophical background, ranging from longstanding experience to those new to anthroposophy. Pending on your prior background, this work may deepen your Anthroposophical understanding in Art & Architecture and the spiritual foundation of the world, or it may give you a first introduction into Anthroposophical thinking.
