Welcome to the beginning of the 2019 school year to all in the Little Yarra community. I hope that everyone has had a restful break filled with nourishment for both body and soul. A special welcome to all the new children, parents and staff who have joined us this year. We trust that your time at our school will be a long and happy one, and look forward to our community growing richer and stronger as a result.

Class 1 began their first day of ‘big’ school last Wednesday with a lovely ceremony in which they were guided to their classroom through a guard of honour of Class 6 students, who sang them in beautifully. I think it may have been the first time I have seen Class 1 children actually run into class to join their teacher, which I am sure bodes very well for the future! After the children were settled in class, their parents moved to the admin building for morning tea provided by the Class 2 parents. Many thanks to all who contributed to this important moment for Class 1.

As you can imagine, the break is not necessarily a holiday for our staff. Our teachers take the opportunity to research the curriculum and plan their programme for the following year, as well as engaging in a range of learning experiences of their own. Many of our staff participated in the High School intensives at the seminar at Warranwood, the Glenaeon intensives in Sydney and a few also participated in a very worthwhile therapeutic singing workshop.

We begin this year with a restructure of our Student Support department. Rachel Mager has been appointed as co-ordinator and we look forward to seeing the students across our school benefit from her many years of experience both in Camphill and as a class teacher. Julie Sale will of course continue with her Tobias programme and our other support staff will continue their excellent work with children who need a little extra help. We are also broadening the range of therapeutic modalities available to our students to include Extra Lesson, Curative Eurythmy, Painting therapy and more. Our school will once again host the National Student Support conference this year, with workshops led by international experts from New Zealand and the UK.

If the start of this year is anything to go by, 2019 looks set to be a year of renewal, growth and development. All the very best to everyone in our community as we travel this journey together.

John

BUSHFIRE NOTICE

We are currently in Bushfire season and may experience days of extreme weather this term. Please be mindful that on days of CFA declared Extreme and Code Red Fire Danger days, the school will be closed. Please stay informed by regularly checking the CFA website, as it may not be possible to update our own website should an Extreme or ‘Code Red’ condition be declared very late. To check the current rating, please visit the CFA website:  www.cfa.vic.gov.au

BACH’S ST JOHN PASSION

This year we have decided to take the main performance of Bach’s St John Passion to Melbourne’s CBD and perform it in St Paul Cathedral. It will be incredible to have our students perform this extraordinary work in the setting that it was originally intended for. The performance will be on the last day of school, Friday the 5th April and the students will transported to the venue by the school busses. We will still have a school performance for classes 3-6 and parents with young children which will occur on the Thursday 4th at 2-3 pm in the Music Hall.

2019 marks the centenary celebration of Steiner Education, so this is a unique opportunity to showcase the magnificent talents of our students. We are really looking forward to this event.

More detail to follow in the coming weeks.

ENROLMENT UPDATES

Parents will have received enrolment update forms, both in the post and via email. It is very important that these are filled out and returned to the office as soon as possible, so we have current information for your child and family. These are also particularly important for students of classes 9 & 4 as they have camps leaving over the next couple of weeks. We look forward to receiving your forms. Thank you kindly.

REMEMBERING NAOMI

A tree planting ceremony in Naomi Jarvie’s memory will be held at School on Saturday 16th at 11 am. We will meet near the pizza oven outside Class 5 / 6. It would be wonderful to see past students and families as well as anyone whose life was touched by Naomi. Please bring your memories to share.

BRIAR ROSE WORKING BEE

I would like to thank all the families who attended the Briar Rose working bee. It was a wonderful opportunity for our new families to meet other Kinder families, the garden & the classroom have benefited greatly from your efforts.

RECYCLING OUR LUNCH SCRAPS WITH THE HELP OF WORMS

Now that compost collection buckets have been placed around all school areas, we are ready to feed a lot of worms. We will be building a worm farm out of 3 or 4 recycled bath tubs, so if you have one lying around in a paddock or shed that you do not want please let us know and we will be happy to make good use of it. Please contact me on clhowells@lyss.vic.edu.au Thank you

CLAY KILN PROJECT MATERIALS REQUEST

In preparation for our Student Support Conference on The Outdoor Classroom in early March, we are looking for the following materials to use in kiln making. If you have any unwanted glossy magazines (stapled, not glued) please can you bring them to reception. We will need 50-60 magazines. Thank you.
TICKETS BOOKED

This year the Senior LYE will travel to Germany and Switzerland. This highlight of this tour will be the final performance of our tour in the Templedom on September 19th in Berlin to celebrate 100 years of the birth of the first Steiner School. Our Tickets were booked over the holidays so we are totally committed to going. Exciting times.

P & F STUDY GROUP

Parents, Staff and Friends are invited to join a Study Group exploring Steiner’s 6 Basic exercises and the lectures that relate to them. There is no cost to be part of the group. The book, “Six Steps in Self-development ~The 'supplementary Exercises' is available for $20 from https://www.fishpond.com.au/Books/Six-Steps-Self-Development-Rudolf-Steiner-Ates-Baydur/9781855842373 and elsewhere.

A short video clip can be found here https://www.youtube.com/watch?v=Pjo3iy4kfdM

The Study Group will gather in the school’s Library 9:40 – 11 am on Wednesday 13th February, then every fortnight thereafter. We discuss many topics related to Anthroposhy.
2019 FEES POLICY

This policy aims to provide clear guidelines and procedures for the setting and collection of annual school fees.

Little Yarra Steiner School is committed to providing a high quality Steiner education for the children enrolled that is affordable and accessible for families.

A condition of both admission and enrolment at LYSS is the regular payment of school fees and levies in advance and as they become due. All signatories to the Enrolment Form are jointly and severally liable for the payment of all fees and charges incurred on behalf of the students.

Application

The current application fee of $100 per child is paid at lodgement. An application form is unable to be processed until this fee is paid. A child re-entering the school after leaving is exempt from incurring the application fee.

Enrolment

A child is given full enrolment status upon entry into Ring-a-Rosy onwards.

All families are required to arrange a finance interview with the Business Manager or their delegate prior to signing the enrolment form.

All signatories to the Enrolment Form are jointly and severally liable for the payment of all fees and charges incurred on behalf of the students.

This is clearly stated in

- the Application for Admission form,
- the Enrolment form and
- during the finance interview between families and the LYSS Business Manager

Bond

A refundable bond of $750 is payable upon entry into Ring-a-Rosy or any subsequent year. In order to be eligible to have the bond reimbursed, all fees must be paid in full when the student has left the school.
Fee Structure

The school’s fee structure is based on a tuition fee combined with fixed charges and levies which comprise the Annual Fee. The Capital Levy services loans for school buildings and contributes towards the ongoing building program.

The Annual Fee is calculated to cover all tuition, fixed charges (including books, stationery and materials provided in class. In the kindergarten it covers craft and cooking materials). From Class 3 to Class 8 the Annual Fee also includes individual weekly Music lessons (8 x 30 minutes per term).

Extra charges apply to individual music tuition from Class 9 onwards, 2nd instrument tuition and extra curricular music.

School Fee Payment Schedule

Fees for Term 1 are invoiced in advance at the beginning of the term, to allow for enrolment updates. School fees for Terms 2, 3 and 4 are invoiced in advance during the term break. Payment is due 14 days from the invoice date as indicated below.

Withdrawal of a Student

Parents who wish to withdraw their child from the school are required to give one full term’s notice in writing to the Registrar. Failure to give the required notice will result in a full term’s fees and charges being charged per child. One full term means a complete school calendar term.

Payment options

Accounts are issued prior to each term and fees are due and payable within 14 days of invoice. Families also have the option of regular payments by electronic funds transfer in consultation with the Accountant or Business Manager.

Payment can be made via:

  EFT – (preferred), credit card over the phone or at reception, direct debit or cheque.

Discounts

Upfront fee discounts

- A discount of 3% of the Annual Fee is available on full payment of one term’s fees in advance.
- A discount of 5% of the Annual Fee is available on full payment of the year’s fees in advance.
- Fees for future years may be paid ahead up to 3 years in advance at the current rate and deemed as paid in full. Payment of future years in full also attracts a 5% discount as per the Fee Schedule.
- Rates may vary from year to year according to the Fee Schedule

Sibling discounts

- The first child of a family incurs full fees and charges.
- The second child receives a 10% discount on the Annual Fee
- The third child receives a 30% discount on the Annual Fee
- The fourth child receives a 50% discount on the Annual Fee
- The fifth and subsequent children receive a 70% discount on the Annual Fee

Staff

A staff discount of 5% of Annual Fees (after sibling and other discounts) is provided at LYSS.

Fee Relief

- Under special circumstances (after a qualifying period), short term fee relief is available to help families in a crisis situation, i.e. health issues or job loss or other significant financial reasons who are unable to pay the full amount of the Annual Fees.
- Fee Relief of up to 30%, 50% or 70% of Tuition Fees only, may be granted for one (1) term up to a maximum of four (4) terms of any one school year. Existing parents, who are still unable to pay the full amount of the fees for financial reasons, need to make a new application for the following year.
- Application forms are available from the School Office and should be directed to the attention of the Business Manager. Little Yarra Steiner School may require proof of income and other evidentiary documents which substantiate the application for Fee Relief, to be provided with the application.

PRESS RELEASE – FREE FIELD DAY – INTRODUCTION TO BIODYNAMIC GARDENING, WARRANWOOD, VIC, FEBRUARY, 2019

This field day is an opportunity not to be missed if you are considering growing your food organically and sustainably. The field day will be facilitated by experienced biodynamic practitioners, expert in many facets of growing food using the principles of biodynamics.

It will be held at The Michael Centre in Warranwood, where biodynamic fruit and vegetables are grown for donation to charities. The area is a showpiece of biodynamics, the produce is second to none, and a unique experience awaits anyone who visits.

Come along and meet Atika Rea who, among others, started the teaching of biodynamic growing in Melbourne. The aim of this tuition is to inspire and take people forward beyond organics to really heal the Earth.

So bring your questions, share your experiences and be prepared to network.

Topics to be covered:
- yearly biodynamic schedule for the garden and orchard
- biodynamic preparations and how to use them
- seed raising and planting
- making compost and liquid manures
- pest and disease control
- Moon Planting Calendar

WORKSHOP INFORMATION

**Tutors**   **Workshops**

Bernard Graves  Ceramics: From Clay to Pot

Bernard is a master traditional craft practitioner and tutor of children and adults, facilitating workshops in practical skills and activities combining ancient and contemporary technologies as a means to access vital areas of experience and learning. He is currently engaged in writing a craft book: Crafting - Practice, Experience & learning.  **Bernard** is the founder of Pyrites - Living & Learning with Nature - Practical Skills Education in Schools and Teacher Training Courses in the UK and worldwide.

Frances Graves  Wool and Textile: Fleece to Felt

Being brought up on a farm fostered my practical side and I love making things. I brought up four children and worked as a Steiner Kindergarten teacher. I have taught some handwork classes in a Steiner School, and after learning about felting and natural plant dyeing of fleece I have run many adult workshops on felting and included some plant dyeing of fleece.

John Lawry  Pit Forge and Blacksmithing

Artisan Pathways (NZ) is a celebration of the tradition of “making”. John Lawry came and right from the start challenged us not to sit passively and take notes but to be active and really attempt to make a connection to the place we are in. What have we around us? What is the nature of this place, right here, where we are? This is where we work. This is where we teach. This is where we meet the children and help them to find out about the world. John encouraged us to stop, to look, and to listen.

Adrienne Kneebone  Basketry work using native grasses

Adrienne spent 12 years in the Northern Territory mastering the craft of weaving as well as working extensively with women from Western Arnhem land. She shares skills, knowledge and storytelling and finds enjoyment in the atmosphere of a weaving group. Her skills range from basket twining to native grass cobbling through to bush toy making. She resides by the Yarra river in East Warburton where she has adapted to weaving with the local plant material. Her classes draw the creative spirit from participants.

John Elliot  Whittling and Greenwood work

John is a master woodwork craftsman with many years’ experience teaching at Little Yarra Steiner School and Dandenong Ranges Steiner School in Victoria. In between teaching, John has supported himself as a woodworker making animals, blocks, climbing frames – suitable for Steiner schools and families. In the preschool he devised simple, safe active woodworking for young children and continues to do this in the Primary school.
