

Little Yarra
STEINER SCHOOL

Consent Form: Excursions and Camps 2023

Excursions and camps form part of our students' educational experience through their school journey. It is important that any medical conditions or other changes that may impact on your child's ability to participate is communicated and updated through the school office. In the case of a temporary illness arising near the time of an excursion or camp, please ensure the supervising teacher(s) for the activity are informed.

Details of upcoming camps will be communicated to families in advance. The camp dates, overleaf, are a guide only. Specific dates will be recorded in the calendar (found on the website and in the weekly school newsletter) for the relevant term.

Class excursions and other events (for example, swimming, Class 5 Olympics, cross-school events, and various excursions to museums, galleries etc.) are organised through the course of the year for which information will be included in the school's newsletter prior to the event. In the unlikely event that an excursion notice is omitted from the newsletter, information will be emailed or posted directly to parents.

The only exclusion to prior parental notification is if the excursion is within 200m of the school property boundary (for example, morning walks, nature studies etc.)

Activities will be supervised by the school's teachers and supported, where relevant, by other staff and/or parents.

Please check through the attached Camp Schedule for camps relevant to your child.

I (Parent/Guardian).....

give consent for my child Class
to take part in the school's camps and excursions, as referred to above. I will inform
the school of any changes in my child's medical details as they occur throughout the
year.

In the event of any accident, mishap or illness of the above named student, I hereby
authorise the Little Yarra Steiner School, through its teachers and agents, to obtain
such urgent medical assistance and treatment as may be advised appropriate.
